Meeting Minutes
May 9, 2007

Attendees: Jeff Rowell
Deb Genthner
Angelo Amengual
Jen Jaquith, Camp Fremont Director

Meeting came to order at 7:00 pm at the Town Hall.

Ms. Jaquith indicated that advertisements for Summer Recreation Camp counselors were placed in local papers. She received resumes from three candidates to date, and selected two at this time for interviews tonight, Lauren Lennon and Katie M. The Commission interviewed both candidates and agreed that they appeared prepared for the position. We will notify them of a proposed date to meet with Selectmen. We discussed options for getting word out for the openings for counselor positions. Ms. Jaquith will approach the Town and School to inquire relative to posting signs advertising the need. She will also run another ad in the Carriage Town News and advertise the pay range.

The Commission discussed the Memorial Day parade. Renee will be available that day to distribute patriotic items to children as usual.

We discussed signage at Memorial Fields. The need for a sign at the playground was discussed. We discussed the fence that surrounds the playground. Children climb on the fence and it is showing signs of wear.

Adjourned at 8:10 pm.
